OTWELL SPEAKS ON LIGHTS AND HARBOR

Excellent Service Being Provided For Hawaii

Captain Otwell, who has charge of the light-house service in this Territory, addressed the Chamber of Commerce yesterday afternoon and was istened to with much interest. He said in part about as follows:

"The Congressmen who have been here are in favor of seeing many imhere are in favor of seeing many im-provements made in this Territory. They heartly indersed the immediate as Greenwich, 0 hours 0 minutes. Sun improvements of Pearl Harbor, which and moon are for local time for the means much to the commercial world. Congress in its wisdom saw fit that ughthouses in this Territory should be pullt immediately, and to this end the United States Government will put nto operation the most powerful lighthouse in the U. S. service on Makapun point. Its light will be visible from over 50 miles at sea. This will eventually mean that any vessels following in the side steps of the Manchuria will be warned against running on the rocks. This light will be thrown out through a hyper-radiant ens which cost originally \$25,000.

The Makapuu light when completed will cost in the neighborhood of \$60,-The same amount will be spent on a light of the second order that will be erected at Kepana near the Settlement at Molokal. A first order ight will go up at Kilauca, Kauai, and another at Cape Kumukahii, on the east coast of Hawaii. Six beacon lights, each costing \$1500, are to be erected during the year, together with warehouses and other necessary build-

For the Honolulu harbor lights \$40, Milton, for San Francisco, follows 00 have been appropriated, \$30,000 of Colorado. which will be spent on the front range light. It is expected that the San Francisco, follows flagship. coming Congress will be asked to vote an additional \$5000 for the light for the purpose of erecting a much # Sterilized more ornamental structure. The only good light in the Territory is at Diamond Head. This and the lighthouse at Barber's point should be fitted with you will escape the discom- better material in order to make it more easily visible from sea. There

Hana, Hanalei, and Koloa, Kauai. APPLE JUICE fills the bill. Another light should be erected along "I am pretty sure," continued the at two bits a pint or \$2.75 a speaker, "that with the opening of Panama canal, Hawaii ports, such as Honolulu and Hilo, will be made

stopping places of the vessels going to and coming from the Orient." The total estimated cost of all the sarbor improvements is about \$1,700,-900, \$800,000 of which have been set side for the improvement of Honolulu harbor. The present contract con- from Gaviota, towing sp. Marion Chilsists in building an island near the quarantine island and for the deepening of the harbor near Kalihi bay.
